Change of Graduation Term: _____

Student Name: Singh, Maninderpal

Address: 1845 Poggi St, Apt 203
Alameda, CA 94501

Major BS Computer Science

☐ Postbaccalaureate

Comments:

[1] These courses fulfill your GE and major requirements, but the units will only count once.

[2] This requirement will be fulfilled upon completion of your SJSU Studies courses (Area R, S and V).
You must earn a minimum aggregate GPA of 2.0 over this required area.

[3] You must complete a minimum of 40 upper division units to graduate. You will fulfill this requirement upon completion of your planned coursework.

[4] You must complete a minimum of 120 total units to graduate. You will fulfill this requirement upon completion of your planned coursework.

Please note: At any time, if you have or will be taking a course other than what is listed on your major/minor form, please have your major/minor department advisor submit a substitution form.
